# SAVING COMIC LIFE AS A PDF INSTRUCTIONS

If you have completed a Comic Life document, you can export it as a pdf document, which will open on any computer without needing the Comic Life application. As a pdf, it is ready for emailing, printing or viewing.

Please note that once exported as a pdf, you **cannot** make changes to it.

To save a Comic Life document to pdf, go to File > Export > Export to PDF

Choose a name for you document and the location you wish to save it to and then click Export.
