23 November, 2017

Dear Parent/Guardian

## UOW Discovery Day 2018

A Uni Discovery Day has been organised for Tuesday 6 February, 2018 at Wollongong University. The aim of the day is to experience life as a Uni student for one day and become familiar with the Wollongong Uni Campus.

- The Discovery Day program is aimed at Year 12 students who are eligible for an ATAR and who are interested in future University study. *If you do not intend to go to University, you shouldn't attend Discovery Day.*
- Your Discovery Day will provide you with an opportunity to experience, for a day, life as a university student. For example, finding your way around campus, reading timetables and attending classes. You're going to have a great time. It isn't really an opportunity for you to gain information on actual courses offered by the University of Wollongong (UOW) - this will come later in the year. Discovery Day is about getting you there to experience life as a Uni student and to find out what kind of subjects and degree you might like to do once you finish the HSC.
- Please choose lectures that you have an interest in. Do not choose lectures because your friends are going to that session. If you do this it may mean students who are actually interested in those areas of study will miss out - and it's not the way that Uni works - you should choose what is the best fit for *you*.

<b>Date:</b>	Tuesday 6 February 2018
<b>Venue:</b>	University of Wollongong
