Dear Parent/Guardian,

Year 11 Biology Excursion – Mount Keira Rainforest, 2018

Field Studies are an important aspect in the study of Biology. In year 11 Biology, the curriculum mandates that all students must perform a field study in order to complete the course. We have been fortunate to have booked a field study, with AUSECO, of the Mount Keira Rainforest on Thursday, June 28th, 2018. Rainforests are biologically unique ecosystems in Australia, especially given it is the second driest continent in the world after Antarctica. The data and information collected on the field study will be used to complete assessment task 2 - Depth Study.

Transport: Bus
Time: Leaving school at 8:00am, returning to school at 3.25pm.
