

STUDENT LEADERSHIP PROGRAM

PROSPECTUS
2022/2023

WELCOME FROM OUR PRINCIPAL

"A person always doing his or her best becomes a natural leader, just by example" - Joe DiMaggio.

We invite students in Years 7-10 at St. Joseph's Catholic High School to apply for our Student Leadership Program. This program is open to all students who wish to be part of the school leadership teams.

"Leadership and Learning are indispensable to each other" - John F Kennedy. Good Leadership is learnt and developed through experience. This program aims to provide students with the opportunity to become effective leaders through their contributions to the school, or on a local, national or global level. This will be achieved by students being part of a pod (team) where they will determine the areas they contribute to. Each semester their efforts will be published.

Students are to nominate themselves by completing a nomination form. To be eligible for Year 12 SRC and Captains, you have to complete a minimum of 2 years of training (one in Years 7, 8 or 9 and one in Years 10 or 11). You are welcome to be a part of the SRC every year.

As a leader you will envision the future, passionately believe that you can make a difference and inspire people in their lives. Small changes can make a world of difference. *"Believe you can and you're half way there" - Theodore Roosevelt.*

"For nothing will be impossible with God" Luke 1:37. We look forward to embracing a successful leadership journey together.

Principal
